

Brand Guidelines

Website development and digital growth

VERSION 1.0 | 2026

A practical visual system for helping small businesses begin, build and grow online.

A brighter path to digital growth

Udyog Sutra 360 helps local businesses, startups, shops and entrepreneurs turn ideas into useful websites, web applications and digital campaigns. The identity combines sunrise optimism with a digital path and connected technology nodes.

 **OPTIMISTIC**

 **TRUSTWORTHY**

 **PROGRESSIVE**

 **APPROACHABLE**

 **RELIABLE**

Brand promise

Your complete digital journey, from idea to growth.

AUDIENCE

Small businesses, local shops, professional services, manufacturers, startups and independent entrepreneurs.

Primary logo and responsive versions

PRIMARY / STACKED

ICON ONLY / FAVICON

ONE COLOR / NAVY

REVERSED / WHITE

Protect recognition and clarity

CLEAR SPACE = HEIGHT OF ONE CIRCUIT NODE

Minimum size

Full logo: 140 px digital / 35 mm print. Icon: 24 px digital.

Backgrounds

Use full color on white or pale blue. Use white on navy or photography.

File format

FOCUS AND ACCESSIBILITY

A rounded rectangular box with a thick orange border, representing visible keyboard focus.

Visible keyboard focus

Minimum control height: 44 px. Text and actions must meet WCAG AA contrast.

Built to work on every screen

1 Max content width: 1280 px

2 Spacing: 8 px base scale

3 Touch targets: minimum 44 x 44 px

4 Use SVG logos and WebP/AVIF images

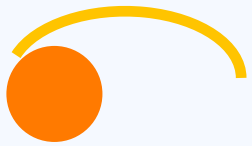

5 Provide hover, focus, active and disabled states

6 Use responsive type and fluid spacing

7 Meet WCAG AA color contrast

8 Support reduced motion and keyboard navigation

A visual language derived from the logo

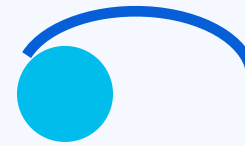

Sunrise arcs

New beginnings

Digital paths

Guided progress

Circuit nodes

Connected services

Bento cards

Clear information

Micro motion

Responsive feedback

Soft gradients

Optimistic energy

Motion guideline: keep transitions between 160 and 320 ms. Use motion to confirm actions, reveal progress and guide attention. Avoid constant decorative animation.

Keep the brand recognizable in every theme

Light theme

White and soft blue surfaces, navy text, blue links and orange calls to action.

Dark theme

Deep navy surfaces, white text, cyan links and golden highlights.

Designed for real small-business touchpoints
